

DT-QX8

HOLOGRAPHIC SIGHT

PRODUCT DESCRIPTION

DT-QX8 is a high-performance day and night laser holographic sight developed by Norkey. DT-QX8 provides 2 calibration buttons on the side for vertical and horizontal adjustments based on ballistics. Made of premium materials, the Qx8 Holographic is waterproof up to 10 feet and durable enough to withstand 1000G shocks, and its size and weight make it easy for hunters, military personnel, and law enforcement officers to carry. It has the advantages of small size, light weight, easy use, no parallax, etc. It is the best choice for fast aiming.
